

PREM KUMAR K

Programmer & Animation Creator

k.premkumar.9591@gmail.com

+91 8056805717

I am a highly passionate individual who thrives on exploring new challenges in programming, animation, and graphics. My journey in computer science and creative media has fueled my drive to innovate and push boundaries. With a strong foundation in coding and design, I am eager to collaborate with experts and bring ideas to life through technology and visual creativity

Experience

Hardware & Technical Experience

- **Hardware Specialist (1 Year):** Hands-on experience in troubleshooting, system building, and repairs. Strong understanding of computer components and networking.
- **Cloud Computing:** Certified in Red Hat Cloud Computing with knowledge of virtualization, server management, and cloud infrastructure.
- **Programming:** Proficient in C, Java, Python, and HTML, applying coding skills to automation and system optimization.

Animation & Graphics Experience

- **Animation Specialist (1 Year):** Skilled in Blender and Unreal Engine for creating high-quality 3D animations and visual effects.
- **Graphic Design & VFX:** Designed and developed 3D assets, motion graphics, and special effects for various projects.
- **Creative & Technical Integration:** Combined programming knowledge with animation to create interactive and immersive content.

Communication & Documentation

- Strong English speaking and writing skills, ensuring clear and effective collaboration.
- Experience in technical documentation and project coordination for smooth workflow management.

Education

ST.Antony's Matriculation Hr sec school Thoothukudi
&
Manonmaniam Sundaranar University, Tirunelveli
Kamaraj College, Thoothukudi

- 10th Passed out in 2020 & 12th Passed out in 2022
- Bachelor of Science (B.Sc.) in Computer Science(Till in 6th sem) 2025
- **Additional coursework in:** C programming, Blender, Unreal Engine, and Red Hat CloudComputing

Skills

- Programming & Development
- Cloud Computing & Networking
- Technical Communication
- Data Visualization & Graphics
- Analytical & Technical Skills
- Modeling & Simulation
